### Staff Comments from the questionnaires:

- My time at Portesbery's summer club was an amazing experience and enjoyed working there. Rob and all the staff were very passionate about the children and did their best to make sure they got the best out of summer club and that they had fun! I have valued this experience and will be taking some of these lovely ideas for the after-school club (where I work). The activities were imaginative and very well thought through, and I would like to thank Rob for letting me have this opportunity.
