My Social Distancing Story

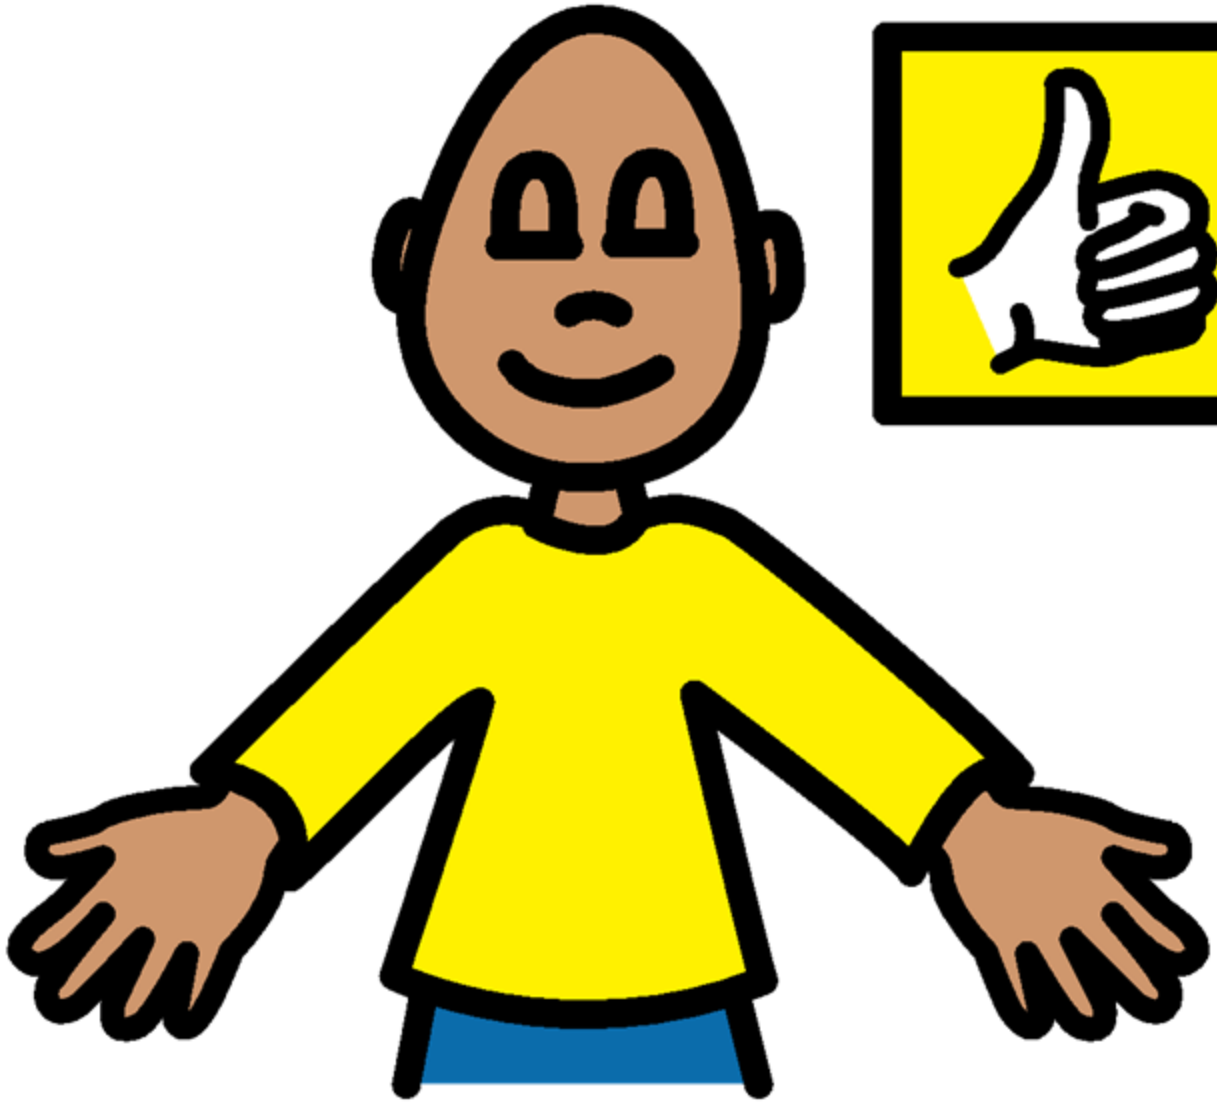
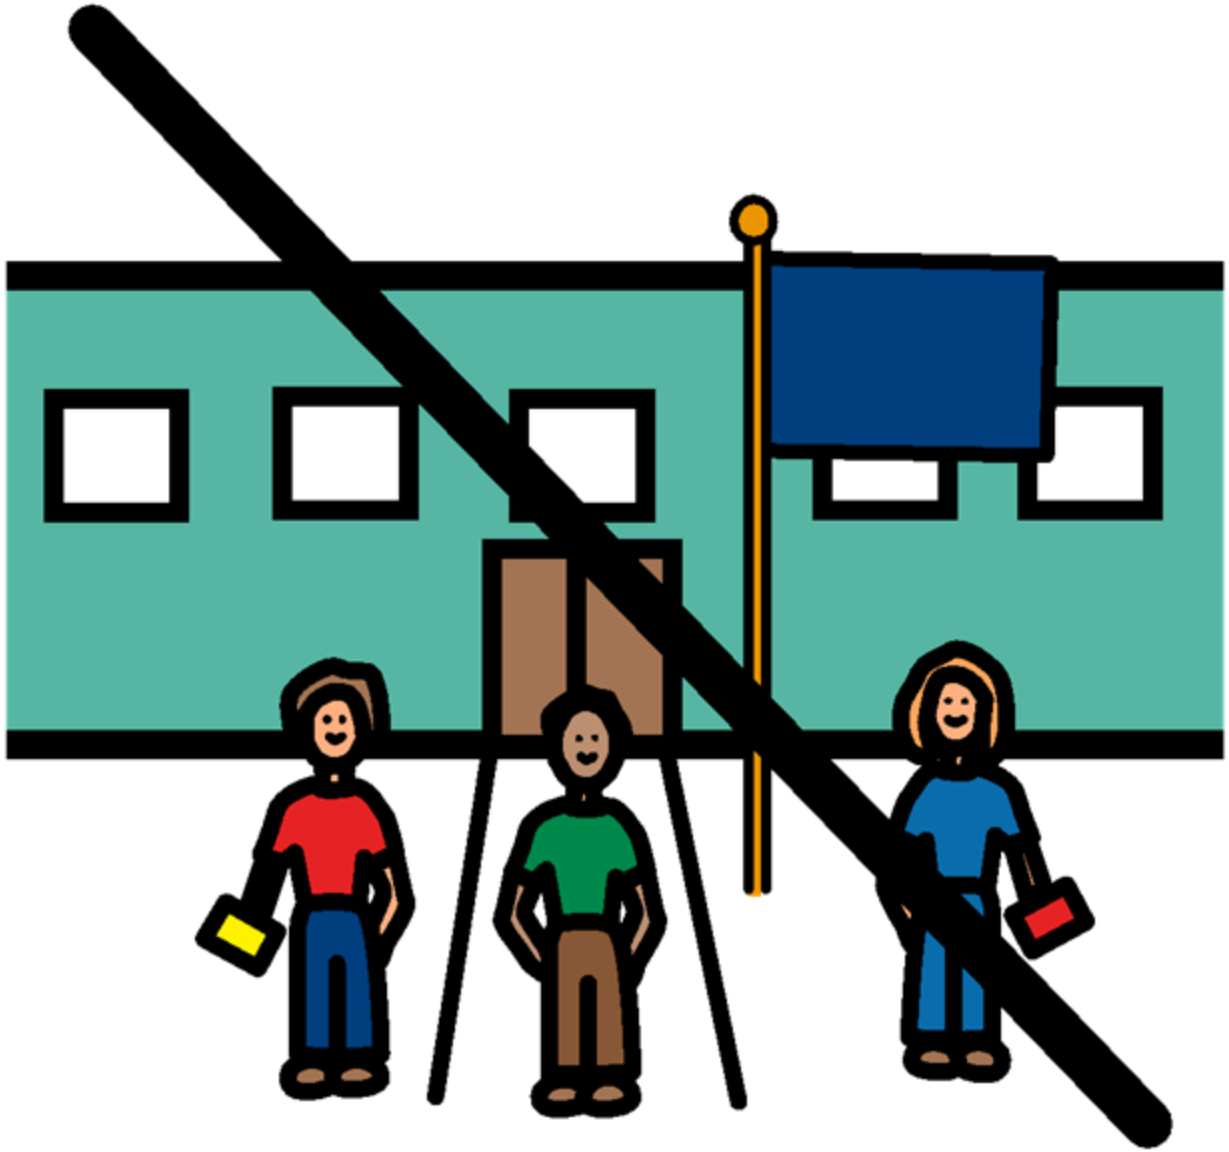
A lot of people are talking about something called Coronavirus.

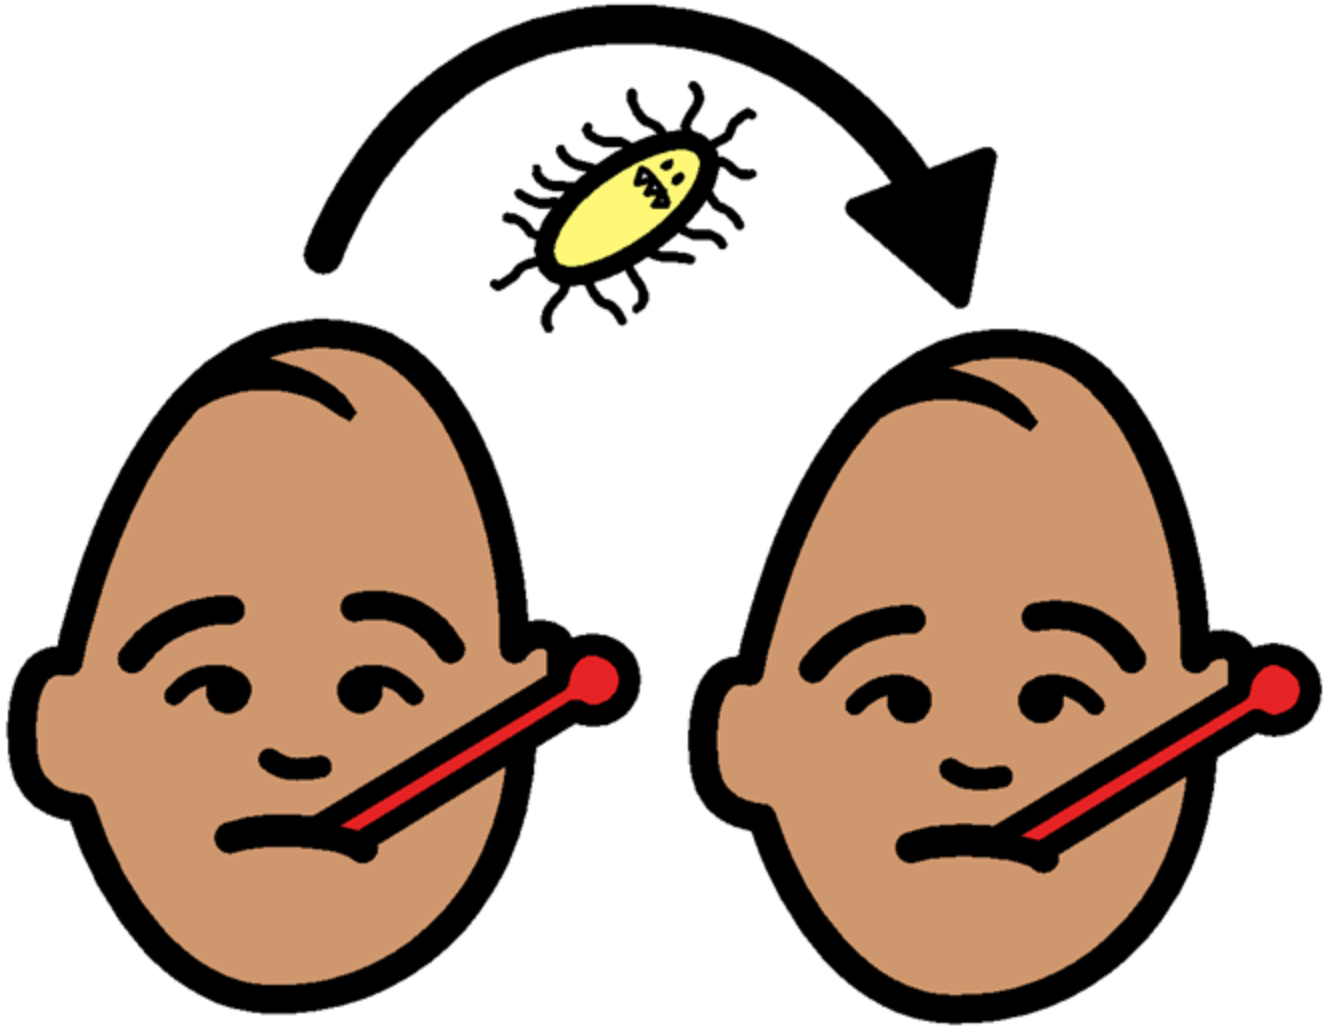


Everyone is working hard to feel safe and be healthy.



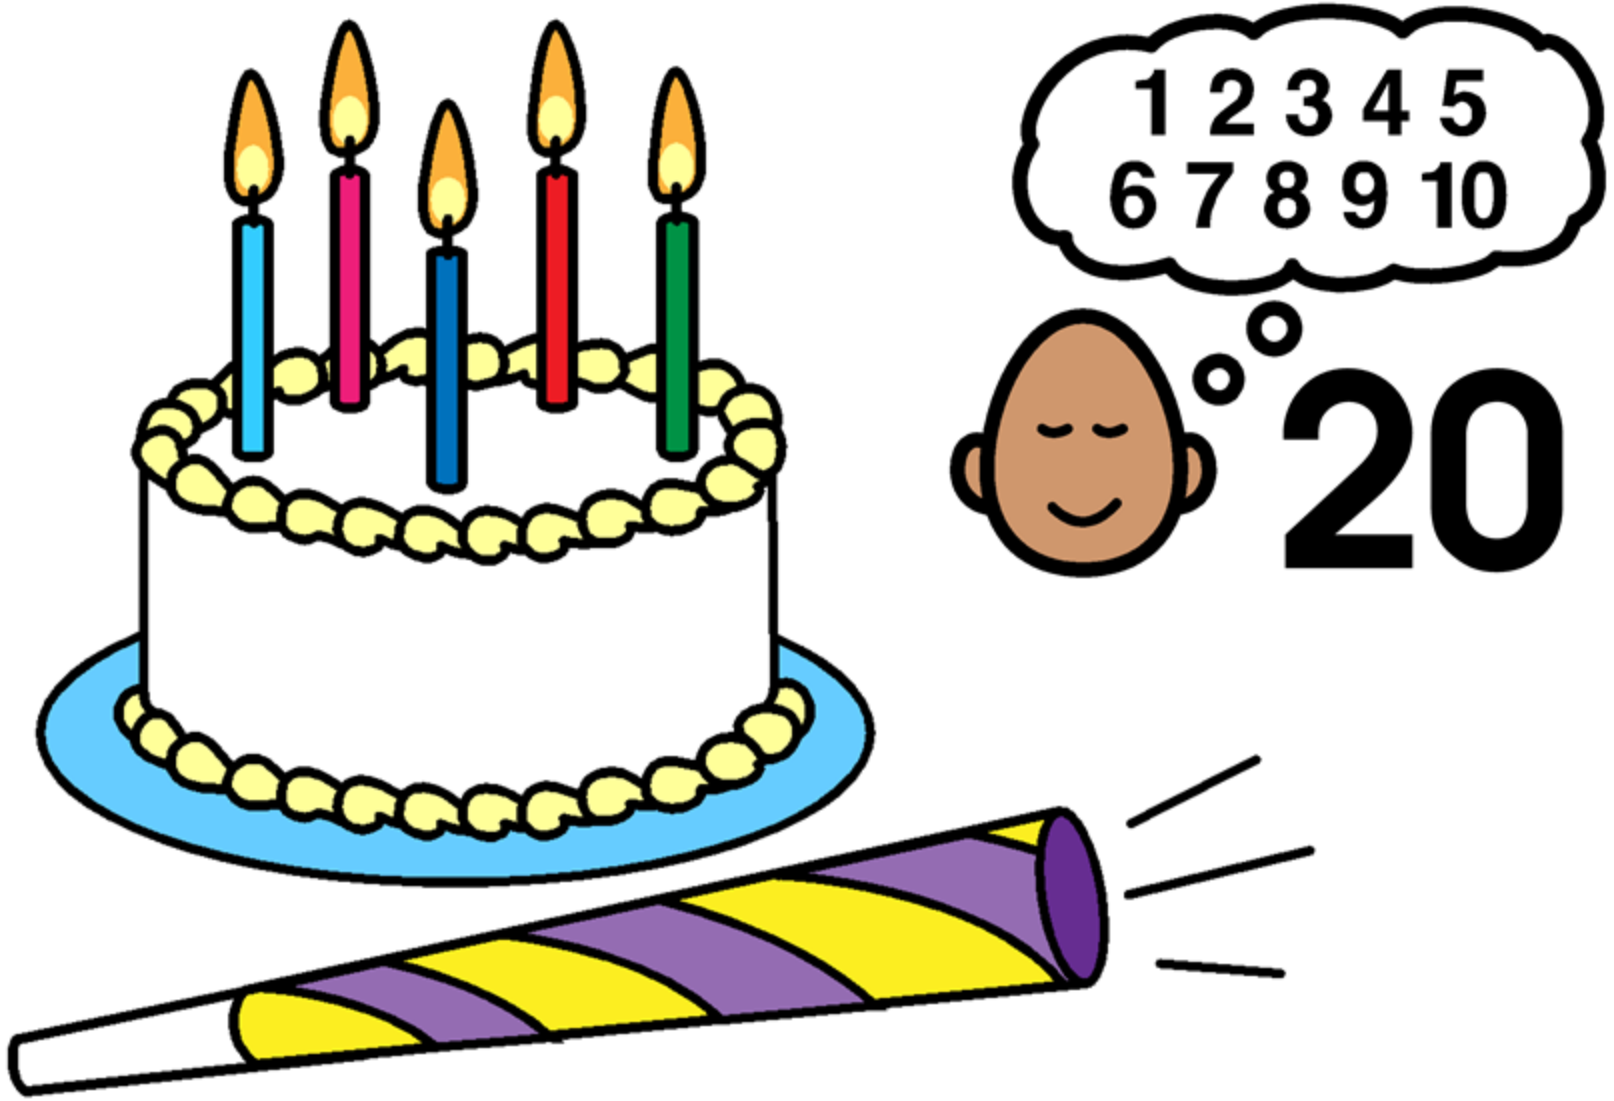
My school is closed right now.

My school is closed because it is being cleaned.

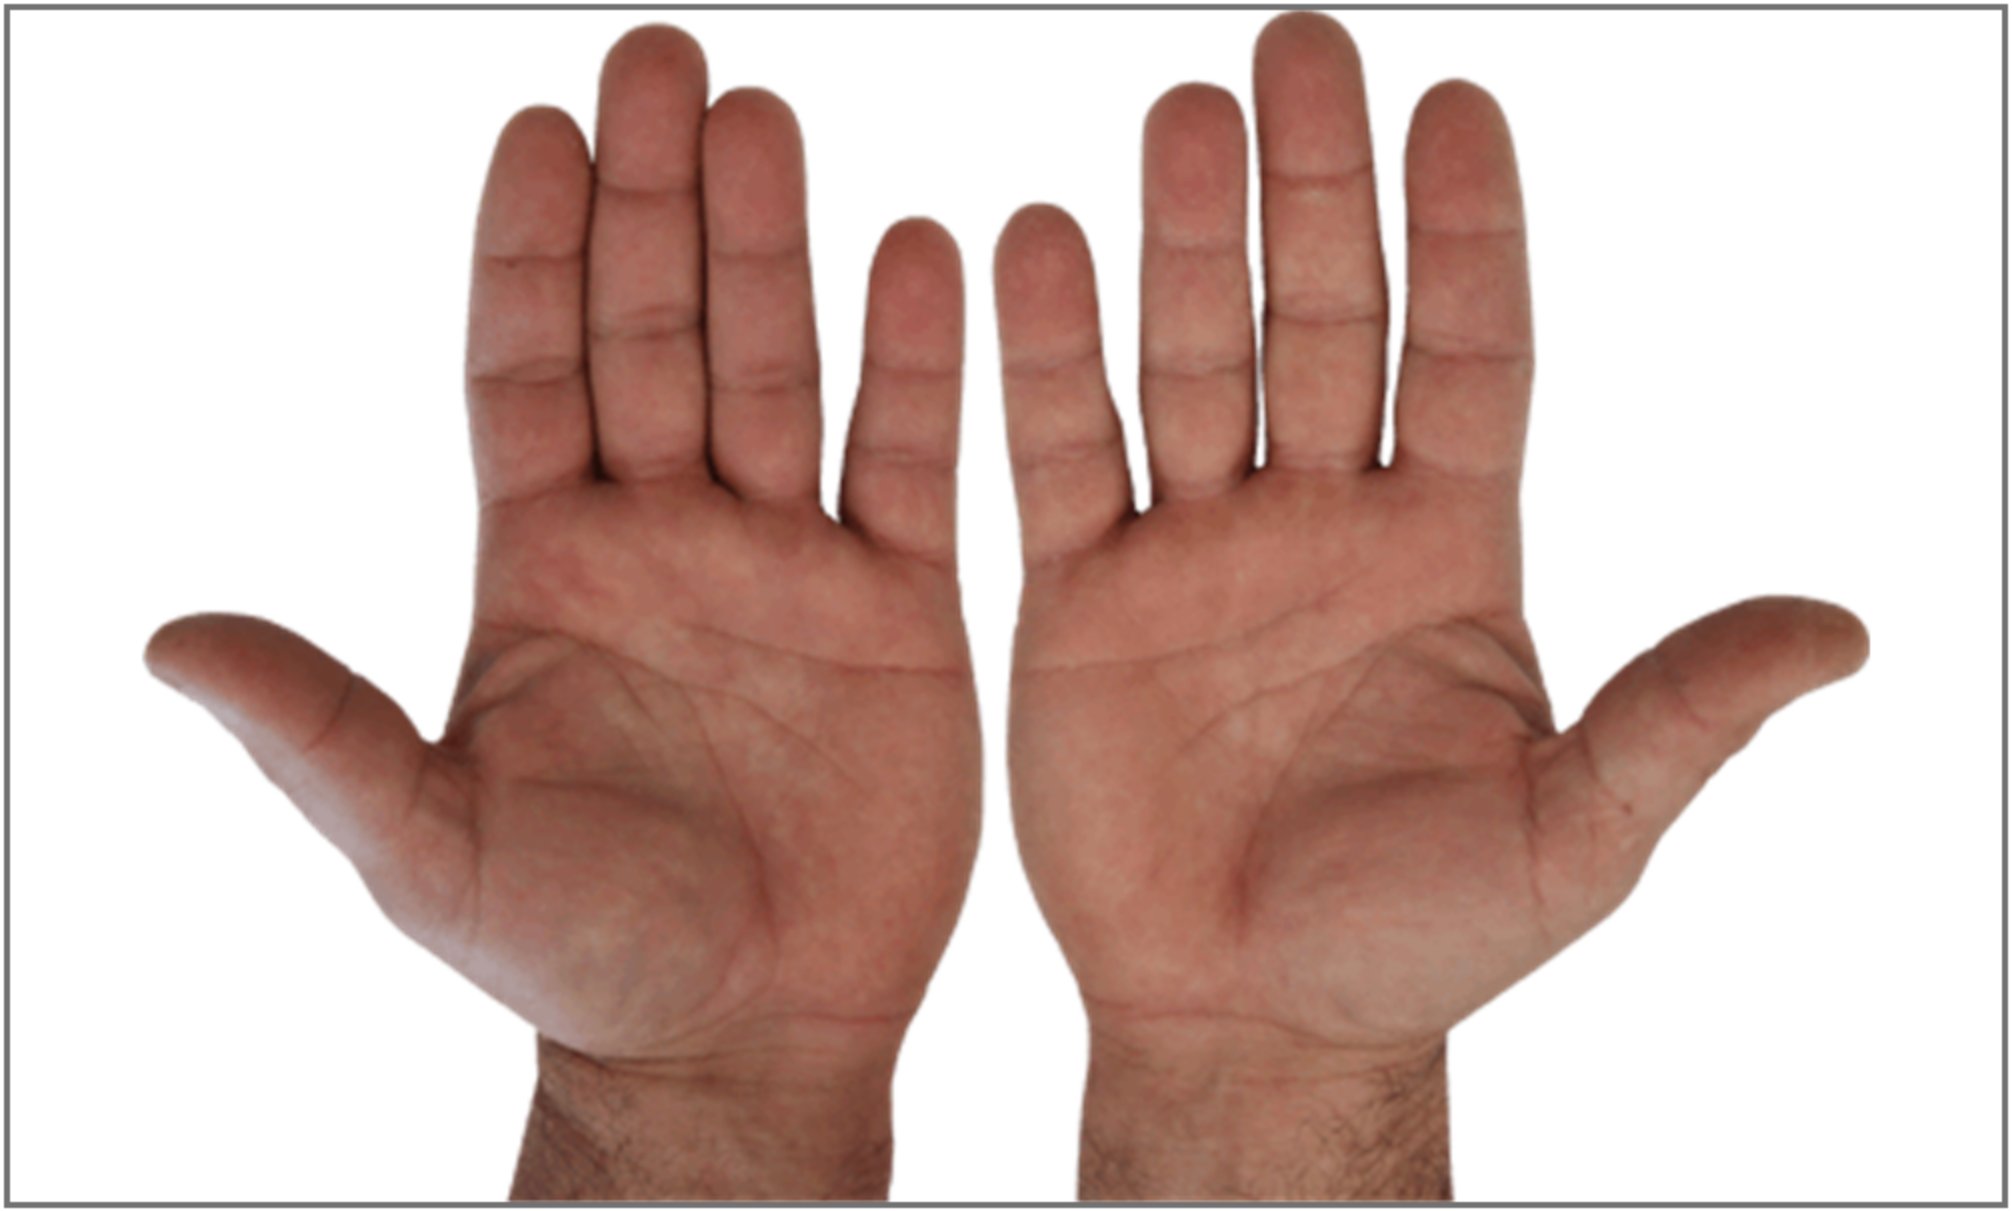


The Coronavirus germs spread VERY easily.

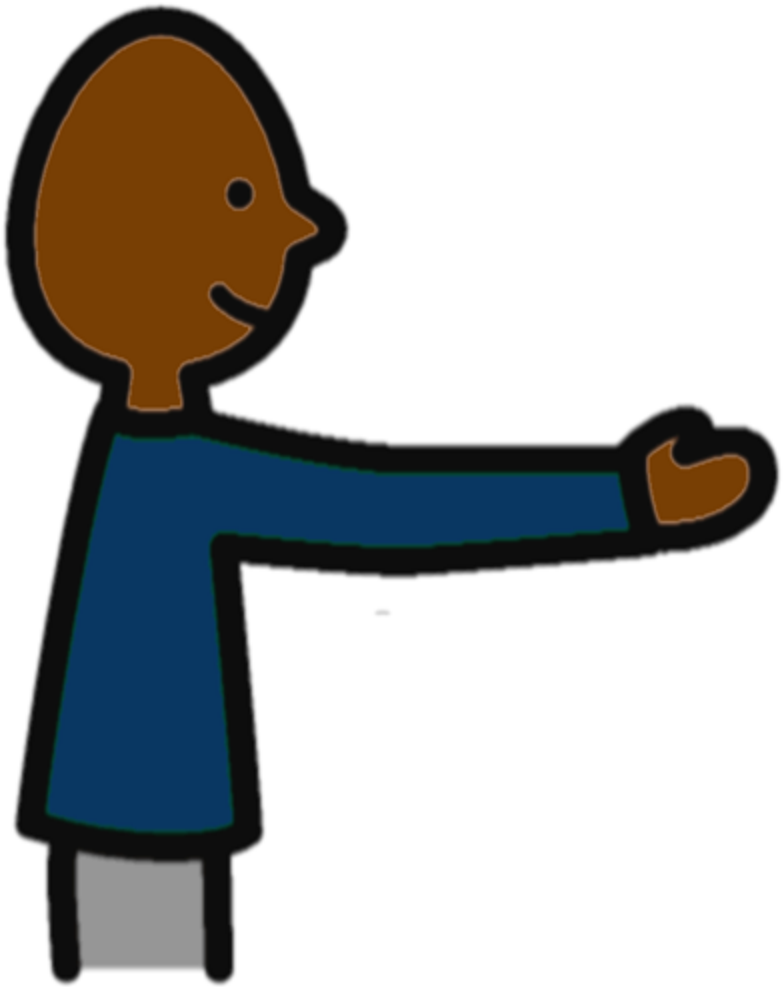
I need to wash my hands A LOT so that I can stay healthy.



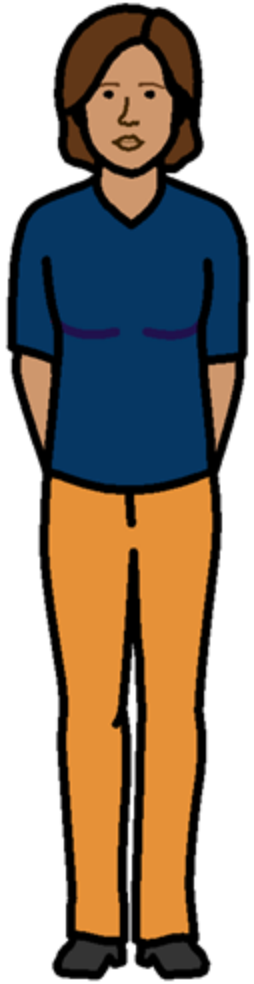
When I wash my hands, I can sing "Happy Birthday," or count to 20!



This will make sure my hands are clean and I stay healthy.



Another thing I can do to stay healthy and safe is called **social distancing**.



Social distancing means I cannot be close to other people.

Social distancing also means that crowded public spaces like restaurants, libraries, theaters, and other places might be closed just like my school.

Fun activities or events might be canceled. This is so we can all stay healthy and safe.

hiking

homework

running

biking

puzzles

reading

cooking

computer

games

walking

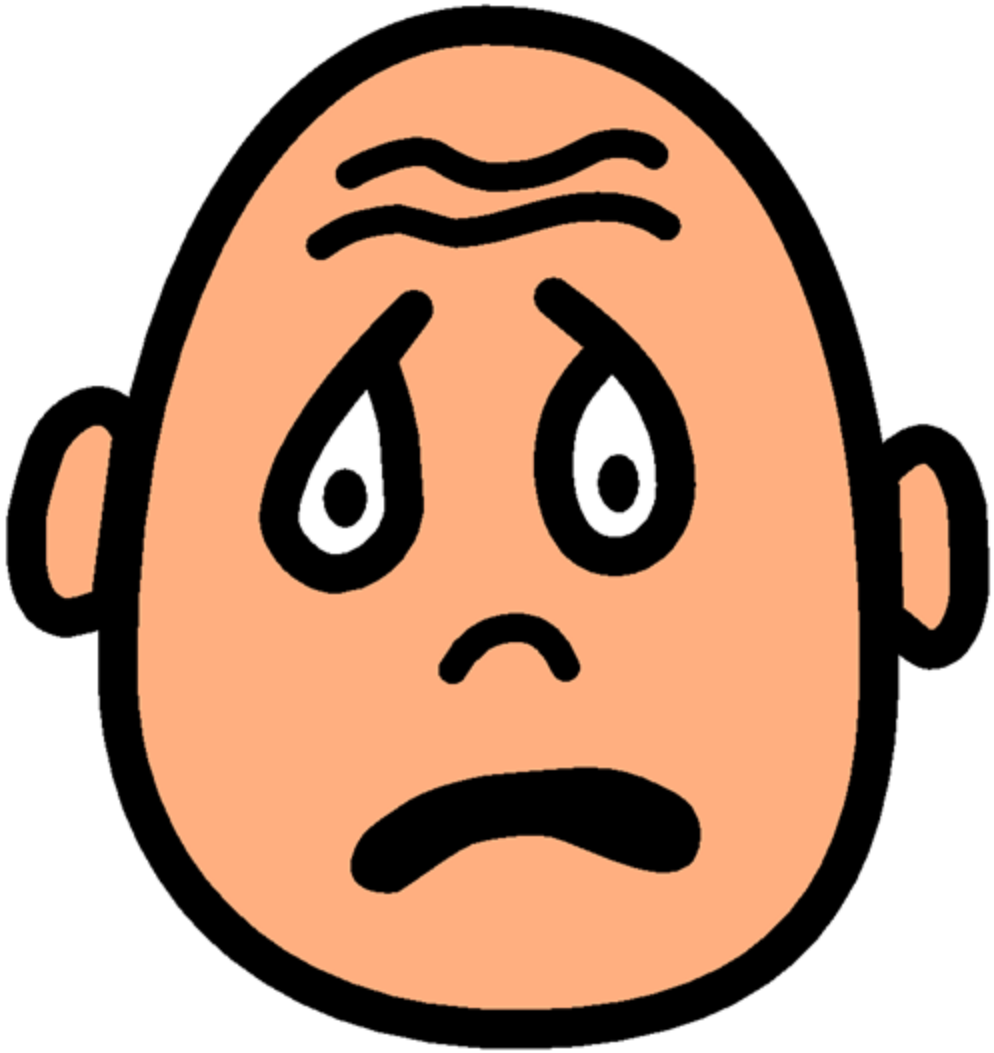
drawing

movies

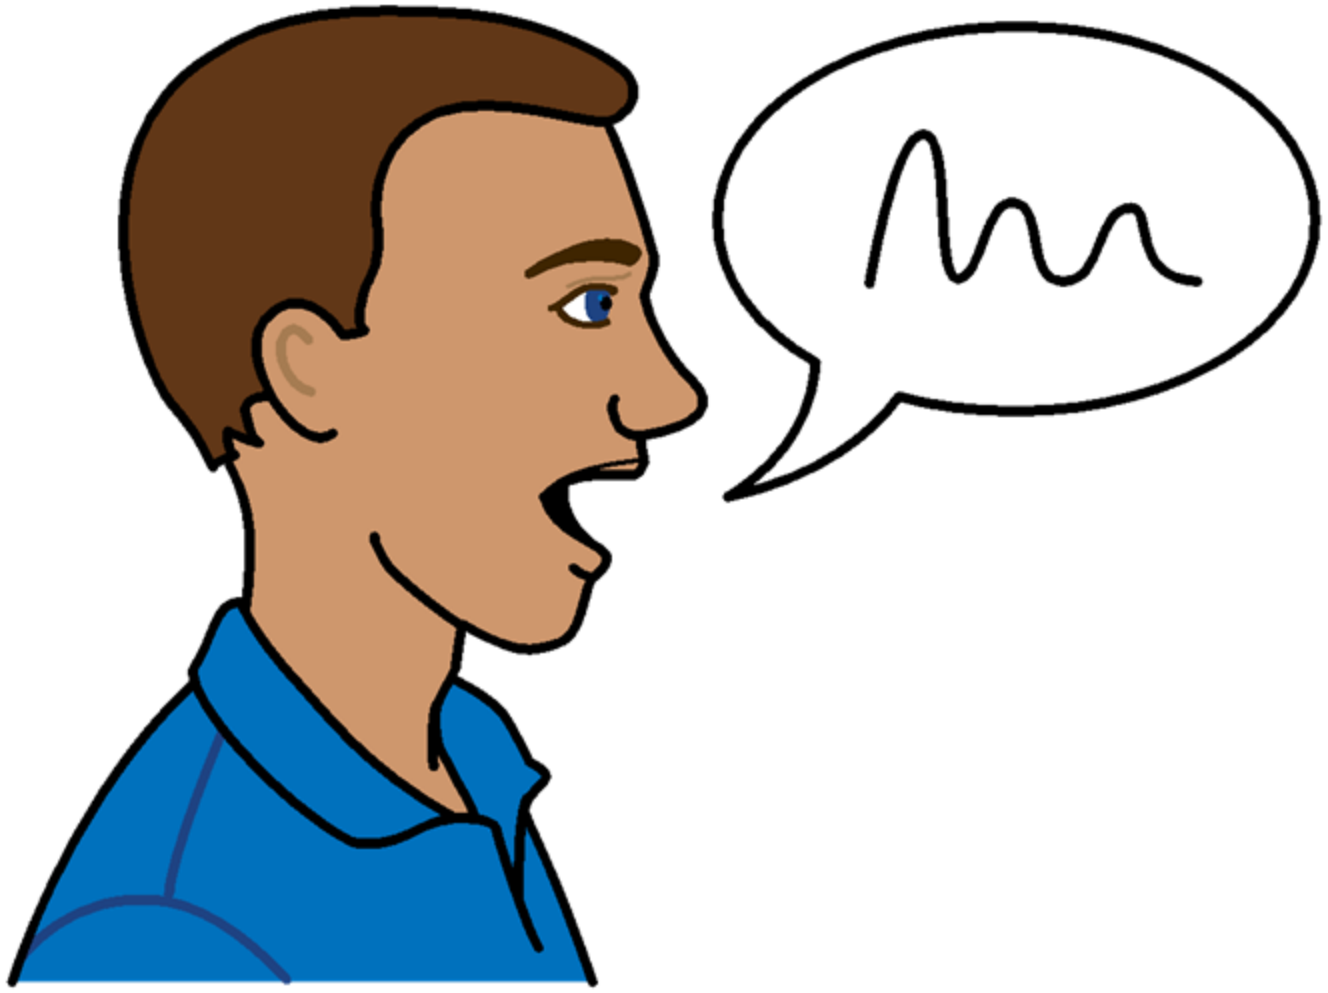
experiment

video chat

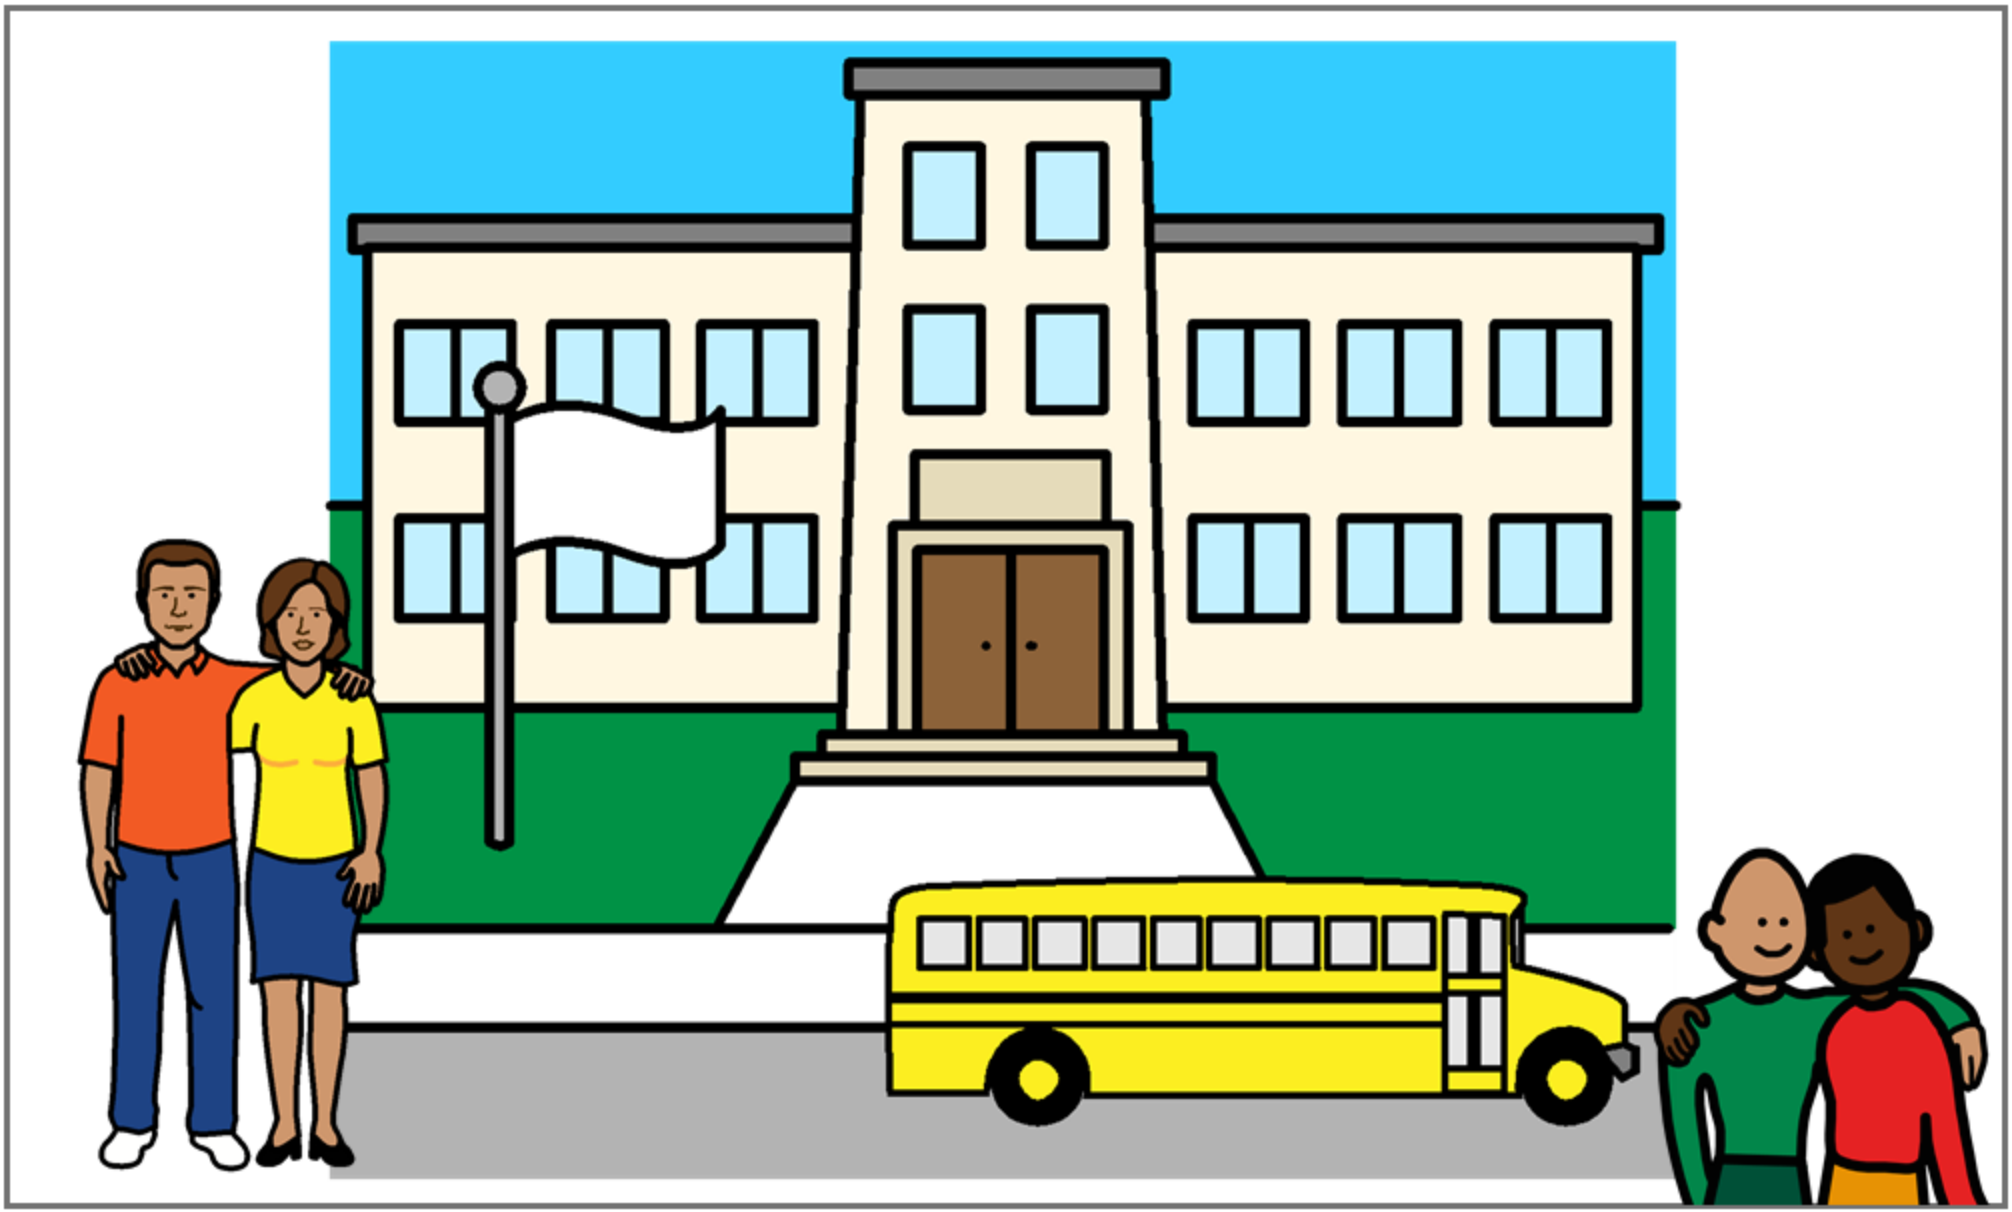
These are some things that I CAN do!



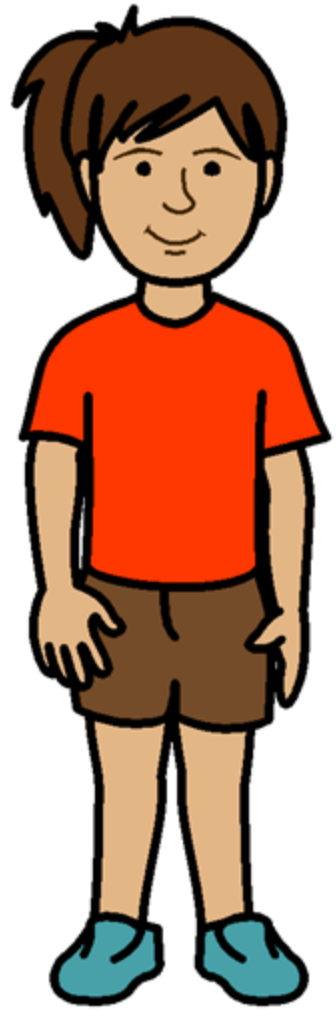
Social distancing might make me feel worried or sad.



If I feel this way, I can always talk to someone that will help make me feel better.



This will be over soon!



Social distancing will help keep everyone happy, healthy, and safe!

THE END
